Reserved spaces are those which are assigned for the season. Applications for reserved space must be submitted by each vendor prior to the beginning of the market on the requested date. The form is available on the Missoula Farmers Market website. The assignment of reserved spaces is at the discretion of the board.

Vendors who had reserved spaces during the preceding year will be given priority for spaces and selection of locations for available spaces the next year. Reserved spaces may not be sold or transferred to another party. The right to use a reserved space is limited to the assigned vendors and may not be used by any other persons except at the discretion of the Market Manager. If the reserved space vendor does not occupy their space by 7:45 am on Saturday, the Market Manager may assign the space to a first-come, first-served vendor. A vendor may request a reserved space after the start of the market season by submitting a completed application form along with payment.

A vendor may only use a second truck space after all vendors wanting a truck space have been accommodated. The Market Manager has authority over parking arrangement and the use of tables.

15. CIVILITY

Vendors and market employees are expected to treat one another and their customers with civility and respect. Verbal or physical abuse is a violation of Missoula Farmers' Market regulations.

16. DISREGARD OF MARKET RULES

These regulations are enforced to promote the welfare and safety of sellers and shoppers alike. If notified of an infraction by the Market Manager, the vendor must correct it. Disregard of these rules will lead to expulsion from the Market. A first violation will result in a violation notice being issued.

A second notice will result in exclusion from the following Saturday Market. A third notice will result in exclusion from the Market for the rest of the season. Violation notices are cumulative from year to year for a period of up to three years. A fourth notice may result in permanent exclusion from the Market and will require the vendor to petition the Market Board for reinstatement. Appeals of any Missoula Farmers' Market violation notice may be made in writing to the Board, P. O. Box 1716, Missoula MT 59801.
